ROYAL PALM BEACH HIGH SCHOOL

Dear Families of That's Dancing, friends and students;

Welcome to our 19th annual Dance Gala! It is always exciting to present our students through this annual performance that brings our community together in celebration of dance! Dance has always been the constant in our lives and it warms our hearts to see families coming together to support their children and the dance arts. Strong family values are what has been the driving force of our school since its inception in 1998. This 19 year journey continues to be absolutely awesome!

As artists, we value all that dance has to offer. Becoming studio owners has allowed us to contribute in a positive way to our community. Teaching the youth of our community is extremely rewarding. Being in our 19th season, it has become evident that the experiences inside the walls of That's Dancing have life-long impacts. Witnessing the growth of our students, current and past, is the fuel that energizes us to continue reinventing ourselves artistically. What we have created is sort of a community within a community! At That's Dancing, we will continue to value each individual student, while respecting their differences and continue to challenge our students both technically and artistically. We firmly believe that the values our parents instilled within us are what have made our studio successful. We will continue to lead our school with integrity and a strong sense of family and community.

The faculty and staff at That's Dancing are our extended family. We are blessed to work with caring and thoughtful individuals that share our philosophy of arts and education. Sadly, we will be saying goodbye to Ms. Viky at the end of this season. Viky has been on faculty for 6 years and has contributed strongly to our ballet program. We wish her the best as she joins her husband on a new journey out of state. We are pleased to announce that the rest of our faculty will remain on staff for next season. Thank you to Ben, Brittany, Jessica, Larry, Loren, Kameron, Katherine and Nicole for a season of hard work and creativity. Special thanks to Jessica and Nicole, as their full time positions allow them to work closely with our Fusion Force Dance Company as well as directing our Young Dancer Program. Both programs are thriving with their input! We would also like to introduce and welcome a new faculty member for next season. Megan Dunn will be joining our team and will focus on making our ballet program even better. Megan will also be offering a ballet foundations class every Friday next season to prepare students for dance based auditions in middle school select programs. Huge love and thanks to Barbara Brooks who works in our office, as well as Linda Marzlak, our office manager. These women do more than most would believe! They are priceless and we are lucky to have them both back for next season.

To our own families: Big Nick, Richard, Nicholas, Mason, Milana and Riley—thank you for your endless support and love. Thank you for allowing us to do what we love and share it with you! To our mom, Angela—we love you unconditionally because that is how you taught us to love. This year, our celebration is going to feel a bit different and is important to us to properly dedicate this Gala to our father, Donald Petronella. Our dad loved dance. He loved watching us dance. He loved watching us perform. He loved watching us teach dance. He loved watching our students perform. He loved watching his grandchildren perform. From the moment dance became part of our lives, our dad supported us and all of our dreams. Seeing us have success through an art form that we have always loved and cherished made our dad the happiest! This weekend will mark the very first performance of our careers that our dad will not physically be with us, but make no mistake—he is here.

He certainly would not ever miss it! We love you Dad, and we promise to continue your legacy. We will continue to follow your example and always work hard leading with integrity and love. If this is the measure of success, then we are forever grateful to understand the true meaning of being rich.

We thank you all for celebrating another beautiful year of dance with us. We know you will be overjoyed and filled with pride when you see your dancers on stage today. Today's memories and accomplishments, whether big or small, will last a lifetime—cherish them!

With Love and Respect,
Andrea LaMaina & Michele Walsh

# Alumni Updates

IT'S A FACT: THE MAJORITY OF KIDS WHO DANCE DO WELL IN SCHOOL. IT'S BECAUSE THEY LEARN HOW TO BALANCE THEIR PASSION FOR DANCE WITH THEIR COMMITMENT TO SCHOOL. THEY DO WELL IN COLLEGE AND JOB INTERVIEWS BECAUSE OF THE CONFIDENCE THEY GAIN THROUGH PERFORMANCE. THEY ARE LESS LIKELY TO "HANG OUT" BECAUSE THEY DON'T HAVE TIME. KIDS WHO DANCE ARE LEARNING A LOT MORE THAN JUST STEPS. THESE KIDS BECOME ADULTS TO BE PROUD OF! READ ABOUT OUR ALUMNI AND BECOME A BELIEVER!!

**Christi Cianciotto** has just finished her second year on the FAU Dance Team. They perform at football and basketball games and compete in NDA Nationals in Daytona. This year they accomplished their goal by finishing 5th in the nation in their division amongst many talented teams. Christi is looking forward to her third year on the team.

Riley Smith is a third year Health Science major at the University of Central Florida. She is the Dance Director of Fit Club Gymnastics in Deland, where she is building the dance program by teaching 20 dance classes to the public, the gymnastics academy affiliated with the studio, and the afterschool program that the studio offers. She is preparing to put on Fit Club's first dance recital where she choreographed 20 dances ranging in all different genres. She is also in the midst of choreographing a piece for a music video to the new song "Bounce" by Aissa Torres. The music video will be released in the middle of May. She wishes luck to all the dancers in the recital, but will be in Thailand at that time and unable to attend. She would like to thank the That's Dancing faculty for providing her with the knowledge and skills to teach and direct a growing dance program, and she wishes to instill the values she learned at That's Dancing in her students at Fit Club.

Hannah Smith became an FFDC Alum in 2016, and she'd like to thank the studio, as well as FFDC, for continuing to be a family from 6 hours away. She is currently entering her sophomore year as a Hospitality and Tourism Management major at Florida State University. She is looking forward to beginning her first job in the field this summer, at a resort in Palm Beach. In dance news, she is also planning on getting involved in dance again by auditioning for Florida State's Seminole Dance Force in Fall 2017. Go Noles!

Kaely Schuh graduated from Florida State University last May and moved to Boston, Massachusetts where she is working full-time at LINX Enrichment Center for Children, teaching dance and working in the customer service department. She also recently accepted an offer to attend Lesley University's Clinical Mental Health Counseling program with a Specialization in Dance/Movement Therapy and will be attending part-time in the Fall! "After becoming an FFDC Alum in 2012, I want to thank all of my teachers for all of the training and support. You taught me how to be a teacher and I have learned so much from all of you".

Susie Rodrigues graduated from Park Vista in 2014 and has just finished her 3rd year at FAU studying architecture. She has been on the FAU dance team since her freshman year and has just finished her first year sharing the position as co-captain with also a former FFDC alumni, Maddie Fillingham. Her team has just finished competing at NDA, and is now ranked 5th place nationally in the Team division 1A. Susie is excited to continue dancing on the team next year and is ready to see more of her FFDC members audition and join her new family!

Carly Chernoff graduated from Park Vista in 2015 and will be entering her junior year as a Sport and Excercise Science Major and a Dance Minor at the University of Central Florida. She is currently a part of the Knights and Damsels Dance Company at UCF, where she will join the Executive Board as the Artistic Lead of the company next year. Carly wants to thank her dance teachers and FFDC family for all the years of training and the continuous support! She sends all her love and support to all the dancers at That's Dancing!

Emily Helfrich graduated from Park Vista in 2016 and has just completed her first year at the University of Florida as a Family, Youth and Community Sciences major. She misses dance so much and is looking forward to auditioning for a dance company on campus in the fall! Emily is so thankful to have been a part of FFDC and is thrilled that both of her sisters are a part of it too! She loves and misses her FFDC family so much and wishes all of the dancers a great recital!

Samantha Martin graduated from Park Vista in 2013 and is excited to graduate from Florida State University this May with a Bachelor's degree in Family and Child Sciences as well as Psychology. She just finished her second and final year on Seminole Dance Force at FSU. Her team recently placed 5th in Jazz Division IA at NDA Nationals as an entirely student run team, which was a huge accomplishment for them! Samantha is currently in the process of applying to graduate schools and hopes to have her teacher certification in the next few years. She can't wait to pass on many of the valuable lessons that she learned growing up at That's Dancing. She's sending her best wishes for the Gala and misses everyone so much!!

**Kayla Reyburn** is entering her junior year at the University of Central Florida studying Integrated Business and Dance. Kayla became a FFDC Alum in 2015 and continues dancing in Orlando. She recently has performed at the Young Choreographer's Concert and is loving every class she takes with the UCF dancers. She currently works as a Lifeguard at Walt Disney World and is excited to see what the future will bring!

Jillian Medero graduated from Dreyfoos School of the Arts as a dance major in 2014. She currently attends Pace University in New York City as a junior Commercial Dance major. She can't believe in September she will be starting her senior year. In April 2017 she had the honor of being in an original Rockette piece choreographed by former Rockette Lauren Gaul as a tapper in the Dance Out Loud show at Pace. In 2014 Jillian became an FFDC Alum and can't wait to be backstage helping again in this year's gala. This summer she will be teaching at That's Dancing and other local studios. She loves and misses her dance family very much. She wouldn't be where she is today without the guidance and training she received at That's Dancing.

Lindsey Ceylon Walsh (FFDC alum 2008) graduated from the University of Florida in 2012 where she spent her time as a choreographer and Publicity Director for the largest dance organization on campus, Dancin' Gators. Lindsey currently lives in Cleveland, Ohio (I promise it's an amazing city!) and works at a small nonprofit that presents performing arts events. She recently became engaged to her boyfriend of 6 years and they couldn't be happier! She is grateful for her experience at That's Dancing and would like to remind everyone dancing tonight that "great dancers are not great because of their technique; they are great because of their passion." Break a leg!

**Nicole Smith** graduated from FFDC in 2009 and will be completing her 3rd season as a full-time faculty member at That's Dancing this year! She recently got married in December 2016 to her high school sweetheart and now they are working on buying their very first house! Nicole is excited to be co-producing So Flo Tap Fest again this Summer along side everyone's favorite tap teacher, Ms. Andrea! She is excited to embark on another amazing year teaching at That's Dancing and enjoying married life here in Lake Worth!

**Teal Turner** graduated from FFDC in 2006, as one of the original 5 members of Fusion Force Dance Company from 1998. She still designs and photographs for That's Dancing. "It has been a pleasure to see how much the studio has grown since the beginning. A lot of love went into it and you can feel it when you walk in. I wouldn't not be the artist I am today without Michele and Andrea."
